

Your returns to WAREMA

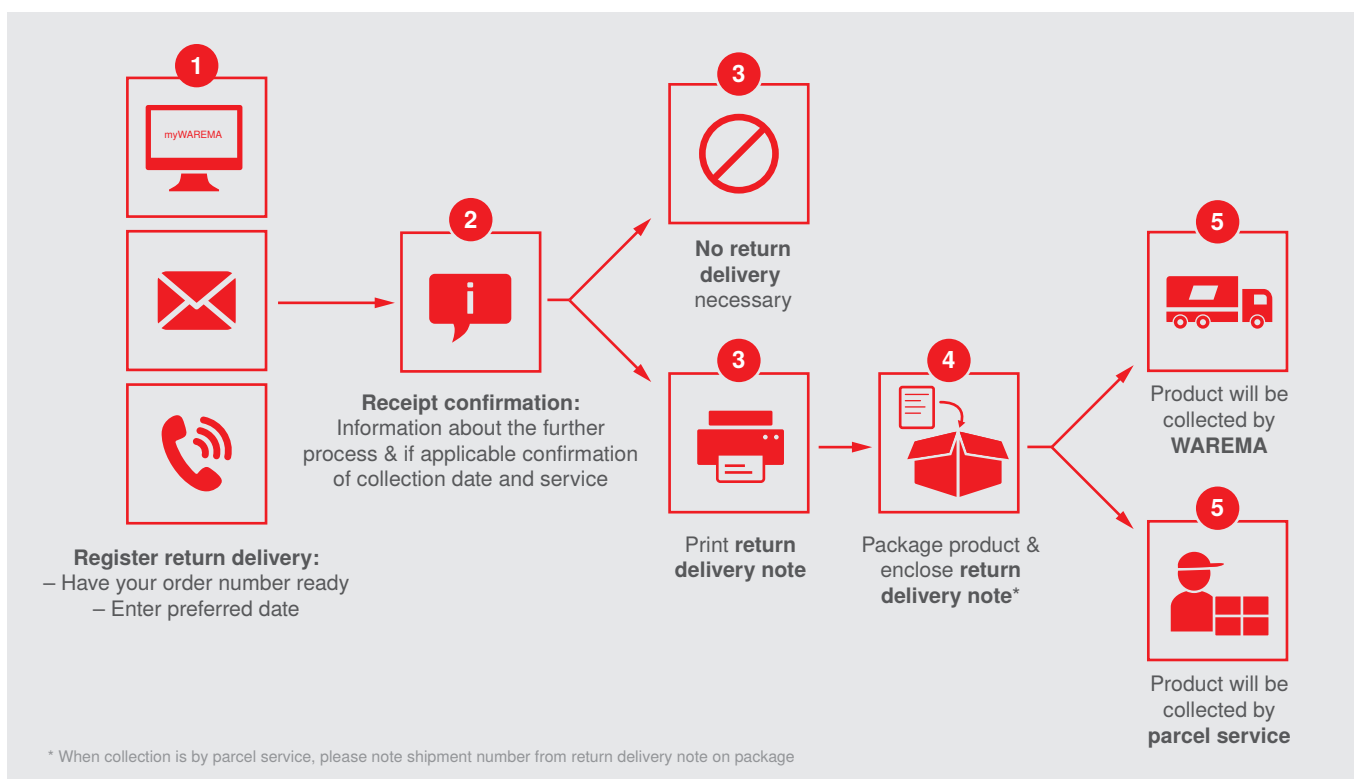

Easy. Fast. Transparent.

Der SonnenLichtManager

Registering and processing your return delivery

With the WAREMA return delivery process you can make the most of fast and convenient handling of your returns. To allow us to individually process your request, we need you to register before returning your purchase. Once you have registered, we will let you know about the fastest and most environmentally friendly way to make your re-consignment and the rest of the process.

The benefits for you

- Fast processing guarantees a fast result
- Convenient collection on the date of your choice
- Avoid unnecessary return deliveries

What return deliveries does this process apply to?

- All WAREMA products
- All repairs, exchange deliveries, complaints
- All products for maintenance or modification
